- End of school Term 1 Swinging Banner
- End of school Term 2 Springing Banner
- End of school Term 3 Balancing Banner
- End of school Term 4 Tumbling Banner

Our lesson plans focus on these 4 movement patterns that are key to developing gymnastics skills.

PREP-AWARD SCHEME - FOR PRE-PREP FLYERS

This is an Academy award scheme for children in Pre-Prep Flyers. There are 6 grades of achievement [Prep 1 to Prep 6] and each grade consists of 12 different skills. The children are tested within their lesson time during the term and as they achieve the necessary skills the coach keeps a record on an Individual Goal sheet. On completion of each grade a badge is awarded at our special Tiny Twister awards days that are conducted 4 times per year. Gymnasts will also have a Display Day towards the end of the year where they will present a routine on each apparatus to their friends/family and a judge.
